

CARL T. STOVALL,  
  
Plaintiff,  
  
v.  
  
FEDERAL MEDICAL CENTER AT  
DEVENS, et al.,  
  
Defendants.

June 3, 2019

For the reasons below, the Clerk shall dismiss this action without prejudice.

On May 30, 2019, the Clerk received a letter from Stovall, in which he states that he did not intend the April 13, 2019 submission to be treated as a complaint [ECF #4]. Further, it has recently come to the Court's attention that supervision of Stovall's conditional release has been transferred back to this Court. See United States v. Stovall, 13-mc-91008-DJC [ECF #65]. It is now clear that Stovall intended that his April 13, 2019 filing to be docketed in the case concerning his conditional release.

Accordingly, the Court hereby orders:

1. The documents from Stovall that were filed in the present action shall be docketed in United States v. Stovall, 13-mc-91008-DJC.

2. This action shall be DISMISSED WITHOUT PREJUDICE on the ground that it was opened in error.

SO ORDERED.
